

# Appendix C | West Fargo's Capital Improvement Process

Appendix C is a resource showing the City of West Fargo's process for programming a project in the Capital Improvement Program (CIP). The following information is provided by the Engineering Department as of December, 2021 and may be updated from time to time. Please check the City website or contact the West Fargo Engineering Department for more information.

# Process for Contracts and Improvements

## Improvement Process Overview

\*The City of West Fargo creates an engineer's report and estimate of probable cost for most projects, but is legally required to do so for projects using special assessment funding.

\*\*The special assessment certification process allocates the cost of the project after the complete cost of the project is final. The Special Assessment Commission does not discuss project costs.
