May 22, 2023

Question:

Page 2 of the RFP states that the "full length of the proposal should not exceed 30 pages; including any supporting material, charts, or tables." Does the 30-page limit include elements such as cover pages, section dividers, attachments, or the cost proposal?

Answer:

No, items such as the cover page, cover letter, and attached forms do not count toward the page limit. The 30-page limit is for the main body of the proposal only.
